Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

Hello, my name is Deborah Beck and I am writing in strong support of HB 4134 with the -1 amendment to increase the state lodging tax by 1.25% and help recover Oregon's most vulnerable fish, wildlife, and habitats. I am an Oregon native and I love this state. The primary reason I love Oregon is our wild areas from the coast to the most remote desert areas of the southeastern corner of the state with it's a wild yet fragile beauty. Time outside in nature helps all of us be better humans and those areas must exist and thrive for us to access them. Please do what you can to help protect these habitats and the beings that inhabit them for both us and future generations.

Thank you,  
Deborah
