Measure, Appointment or Topic: HB4134

TO: Senate Committee On Finance and Revenue:

Please support HB 4134. This will raise Oregon's tourism tax by 1.25 percentage points, and those funds will do so much to protect Oregon's valuable wildlife. Among other things, it will help us to protect our imperiled species and the habitats they require; it will help people be able to live peacefully WITH wolves; and it will help in reducing the risk of wildfires. In many ways, it will help the people of Oregon at least as much as it will help Oregon's wildlife. I am counting on you to support this important bill.

Thank you,
