

Submitter: Karen Bain

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

I am an avid wildlife lover and would not object to paying a tiny percentage of a hotel or motel bill to protect it. Our wildlife is one of the best features of Oregon, my home state. I am very concerned about the effects of habitat loss and climate change, and also concerned extinction. Please support HB 4134.
