Measure, Appointment or Topic: HB4134

As an Oregon resident, I urge you to vote YES on HB 4134 (1.25% for Wildlife). This bill provides stable, long-term funding for wildlife conservation, habitat restoration, anti-poaching enforcement, and practical coexistence solutions. Our wildlife, landscapes, and natural spaces are foundational to our economy and quality of life. They are what make Oregon so special. Visitors come here because of our forests, wildlife, rivers, coastlines, and open spaces. It's important to note that most of the modest 1.25% lodging tax increase would be paid by out-of-state visitors, and Oregon would remain among the lowest lodging tax states in the country.

I look forward to this legislation being moved on to the Senate floor for a resounding YES vote!

Thank you for your consideration.
