Measure, Appointment or Topic: HB4134

Oregonians and travelers cannot afford to pay more in taxes for anything. We are one of the highest taxed states in the country. Stop destroying our state and economy by taxing us more. Your constituents deserve better than this.

So, imagine a family emergency takes you across state, then you and your kids can't afford to stay in a hotel because of this tax, so, I guess you're stuck sleeping in your car...

Businesses are already fleeing Oregon.

What we do want is accountability for where our hard earned tax money has gone. There is an election coming up in November, and if you support this bill then there will be consequences, in how we vote.
