

Submitter: Mark Walker
On Behalf Of: HB 4131
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: HB4134

I am in full support of passing HB4131

It is absolutely vital that we do what we can to support, enhance, protect our wildlife throughout our state of Oregon. Our future and our children's future depend on our ability to save imperiled wildlife across our state and our neighboring states that are critical habitat for our vanishing wildlife and marine life.

Sincerely

Mark Walker
