

Submitter: Fred Ingram

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

I am in support of HB 4134 to use revenue for habitat restoration of Oregon's high desert region to help sustain its endangered native species and preserve its natural beauty.

As a native Oregonian myself, I believe we must advocate to keep our high desert lands free of mining, commercial development, bloodsucking data centers and other such boondoggles.

Thank you.
