Support for HB 4134

I strongly urge you to approve HB4134. It is a small increase in the transient lodging tax but will do lot of good for wildlife and tourism in our state. Providing a permanent reliable source of funding for wolf deperadation compensation and non game wildlife programs are significant benefits that offset the minimal tax cost of the program. Over 60 % of the tax will be paid by non residents that enjoy our wildlife and natural resources, the programs will insure support for these programs. This bill is a one time shot to fix funding, the opportunity may never come again. Please vote aye on the 4134. Thank you, Andy VanderPlaat
