

Submitter: Charlene Zoeckler

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

Hello,

I am in full support for this bill. Not only would the increased tax support the endangered species in Oregon, it would create a culture of ethical tourism in which folks could feel better about the places they visit to see wildlife-such as my town in Depoe Bay, where the grey whale migration is getting smaller and smaller every year. Please pass this bill and preserve the funds specifically to protect endangered species.

Thank you!

-Charlene
