Measure, Appointment or Topic: HB4134

Dear Senate Committee On Finance and Revenue,

Simply put, I support HB 4134. I'm an Oregonian that travels around the state's natural beauty several times per year, and would gladly pay a few dollars more on my hotel bill to protect Oregon's natural legacy. Because Oregon's Department of Fish and Wildlife lacks stable funding, HB4134 would provide a historic opportunity to address an issue that is plaguing state wildlife agencies across the country. I find it very encouraging that this bill is supported by a diverse and bipartisan coalition. Please see it come to pass for the future of us all.
