

Submitter: Joseph Aiston

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

I work in the hospitality industry in Oregon and this is the last thing our industry needs. This bill would cost Oregon's tourism and hospitality industry \$38 million every year. Like it or not, Portland (the largest city in Oregon) has been struck with negative press for the past 6+ years dealing a devastating blow to the local tourism industry. Now is the time to INCREASE support for such an integral contributor to Oregon's economy, not hobble it.
