Measure, Appointment or Topic: HB4134

Please support B4134 which would give ODFW stable funding to support our wonderful non-game wildlife. Having lived at the edge of a Wildlife Refuge, I have had so many delightful encounters with a variety of creatures. and those memories are some of my most cherished.

I'm pretty sure the tourists that visit the high end hotels here in bend would be quite happy to contribute to maintaining and improving the habitat for our native wildlife.
