

Submitter: Ruth Martin

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

HB 4134 is historic legislation that would protect our wildlife, safeguard communities, and strengthen our tourism economy that depends on a healthy environment, without increasing my cost of living.

I support HB 4134 and would gladly pay a few dollars more on my hotel bill to protect Oregon's natural habitat. I camp and recreate in nature and we need to preserve and strengthen ecosystems to support wildlife. It's like a circle: preserve the land, rivers and rivers so animals can survive and we will have clean water to drink, for agriculture and farm animals.
