Measure, Appointment or Topic: HB4134

I strongly support HB 4134, recently approved, by the House, and urge the Senate to follow suit. Oregon's wildlife need this lifeline. And Oregon's people will benefit as well. Despite an increase, Oregon's lodging tax will remain the nation's lowest - and the visitors flocking to Oregon for its natural beauty will play a larger role in preserving that beauty. It's a win win. Oregon's prosperity ultimately depends on the health its environment.
