Measure, Appointment or Topic: SB1501

Dear Committee Members,

I am a resident of Portland and a Blazers fan. And I do not support this measure. I do not support \$600 million in public money with no private contribution and no revenue returned to the General Fund. This bill should not pass. It is not a good deal for tax payers, but instead is requiring that we foot the bill for an out of state billionaire. Research has shown this kind of expense is not a good return on investment. We can't afford to make this kind of bad deal!

Thank you,
Lucy
