Measure, Appointment or Topic: HB4134

Hello, my name is Jody Gordon, a native Oregonian of 66 years. I am proud of the Oregon Legislature actions over the years to cherish and honor the state's natural beauty. Oregon's unique geology, lush forests, coastline, deserts, and more, draw visitors from all over the world.

I am asking you, my Oregon State Senators, to support and pass the House Bill 4134 – "1.25% for Wildlife." The funds generated from this modest transient lodging tax will secure dedicated long-term funding to protect Oregon's biodiversity, wildlife stewardship, sustain healthy ecosystems, and reduce wildfire risk. Oregon citizens and visitors would welcome having a real role in the investment for Oregon's iconic natural resources.
