Measure, Appointment or Topic: HB4134

Hello, my name is Dan Sherwood and as a long time Oregonian I'd like you to support HB 4134. Oregonians value wildlife and want to see it thrive. Many of us are proud of Oregon's natural heritage and care deeply about protecting it for future generations. A strong majority of Oregonians support dedicated funding to recover vulnerable fish, wildlife, and habitats.

HB 4134 provides long-term, dedicated funding for conservation. This bill would secure sustainable funding to recover Oregon's most at-risk species and habitats, including sagebrush ecosystems, connected wildlife corridors, and resilient landscapes that support biodiversity statewide.
