

Submitter: Stacey Holeman

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

Oregon's wildlife and natural habitats are not only treasures to Oregonians but draw visitors from other states and countries. I love the logic in having visitors help maintain and support our wildlife the way this bill lays it out. This is a wise investment in our present and future natural resources and also serves as a reinvestment to attract visitors.

YES ON HB 4134!!!
