Measure, Appointment or Topic: HB4134

As someone who lives in and travels around Oregon, I would be most happy to see a portion of my hotel bill be dedicated to protecting wildlife and habitats. Oregon's iconic wild lands and wildlife brought me here 50 years ago and I would do anything to protect them. HB 4134, the 1.25% for wildlife bill, is a small way to give back to the state that has given me so much. Thank you for supporting this measure!
