Measure, Appointment or Topic: HB4134

Dear Chair Broadman and Senate Committee on Revenue members:

As a nature lover, outdoor recreationist, in-state traveler and longtime Oregonian, I am submitting this testimony in strong support of HB 4134 to increase the state lodging tax by 1.25% and help recover Oregon's most vulnerable fish, wildlife, and habitats.

In Oregon, our identity is closely tied to the natural wonders of our state and our rich array of wildlife, from whales and sea stars on the coast, to rivers rich with salmon and steelhead, to alpine valleys that are home to beavers, elk, bears, and bobcats, to high desert shrub steppe where sage-grouse dance. Oregonians' love for the outdoors is well-known statewide and nationwide and securing long-term dedicated funding to recover our most vulnerable fish, wildlife, and habitats, is strongly supported by a majority of Oregonians.

I am urging you to support this landmark bill, which would dedicate long-term funding to recover Oregon's most vulnerable fish, wildlife and habitats, because this is critical for our state's tourism economy, which supports 192,000 jobs and brings in \$16 billion in consumer spending.

Our thriving outdoor tourism economy would suffer without healthy and abundant fish and wildlife populations. Investing in wildlife and habitat conservation projects will generate more economic opportunities for Oregon's communities now, and well in the future.

This bill is your once-in-a-generation opportunity to protect the rich biodiversity that makes Oregon an incredible place to live and to visit.

Please pass important legislation this session. Wildlife need the help now.

Sincerely,

Amy Hunter
