Measure, Appointment or Topic: HB4134

Senators, please support this Bill. This Bill secures funds to support wildlife. It is important for realize that we must pay attention to natural spaces and places. We must connect with the our land and waterways with efforts to manage species and by association with the outdoors, our health and well being. Many stakeholders such as citizens who live here, including children, and tourists who visit will see renewed efforts for the fish and wildlife that make our native species and habitats with this increase to the lodging tax. There is bipartisan support for this approach to address a long lived funding gap. Vote for this Bill.
