

Submitter: Laurel Hines

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

This bill is important to me as a wildlife lover, hiker, and one who wants wildlife and habitat available to my grandchild and all children of the future. A little over 1% tax on lodging, etc, is not excessive to preserve and provide for living with nature and wildlife for now and the future. Please pass this important bill . It is about time!
