Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

As an avid hunter and angler, I support HB 4134 as I believe it will have a net positive impact on our wildlife, fish, and the habitat they depend on. Through this small adjustment to the statewide transient lodging tax, we have the opportunity to provide a significant, lasting impact to our wildlife by creating a revenue stream that will fund local conservation projects across the state. I respectfully urge you to support HB 4134 and help secure long-term funding for Oregon's wildlife, habitats, and outdoor traditions.
