Committee: House Committee On Health Care
Measure, Appointment or Topic: SB1598

Dear Committee Members,

I'm writing in strong opposition to SB 1598. The language in this bill leaves room for the possibility of future medical mandates, as well as the assignment of power to unelected officials. I urge you to reject any legislation (present and future) that has the potential to come between Oregonians and our medical freedom.

Sincerely,

Cheyenne Love
