On Behalf Of: Bird Alliance of Oregon
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: HB4134

Greetings- I am writing in full support of HB 4134 for a number of reasons, chief among which is the massive future return on investment that such actions would provide from both an environmental and subsequent economic level.

Even without the moral obligations to do so, allocating more money towards things like anti-poaching efforts, wildlife reintroduction programs, and conservation groups(which this measure will do) is the most logical choice of action in regards to Oregon's most prized resource: its natural beauty and biodiversity. As such, I fully support measure HB 4134 and urge all representatives to vote "Yes" on it.

Thank you for your time,

Anders Engblom
