

Submitter: Virginia Lewis

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: SB1571

I do not believe any child should have access to any tobacco products. I did because my dad smoked and he never tried to keep it from us(meaning 6 kids). I quit smoking after 10 years but my siblings didn't and 2 have passed from use of tobacco. Please keep all tobacco products away from kids.
