Measure, Appointment or Topic: HB4134

Thank you for considering HB4134 to help sustain Oregon's unique and beautiful coast. As a volunteer for several natural (some tourism related) organizations, I have a deep concern for the future of our fragile state. From kelp forests and eelgrass beds, to salmon and whales, hundreds of at-risk species and vital habitats in our ocean, on our coasts, and beyond depend on this investment. Thank you again.
