On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

Oregon is viewed as a prime vacation destination by folks from all over the world for its natural ecosystems and habitat for wildlife. In a world where humans are becoming more and more cut off from experiencing animals in their native habitat, we must do everything possible to protect Oregon wildlife and the habitats upon which they depend. Please pass HB 4134.
