

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES HB 4057
Committee: Senate Committee On Early Childhood and Behavioral Health
Measure, Appointment or Topic: HB4057

I OPPOSE [HB 4057 A].

[HB 4057 A] uses taxpayer money to subsidize a system "Employment Related Child Care" for a select group of individuals.

The system of selection to receive a taxpayer subsidy is "Discriminatory per se."

[HB 4057 A] confers taxpayer subsidies to "Non-citizens and Illegal Aliens."

From the TEXT of [HB 4057 A],

"...SECTION 2. ORS 329A.500 is amended to read:

(3) The rules adopted under this section must support equitable access to a supply of diverse subsidized care facilities that meet the needs of families, as those needs are defined by the council by rule, including: (a) Cultural diversity; (b) Linguistic diversity; (c) Racial and ethnic diversity; and (d) Diversity of subsidized care facility types....

...(A) May not be based on the citizenship or legal status of a child or a child's family;

... (9) The department shall, prior to referral to a generalized resource hotline, provide each individual who applies for the Employment Related Day Care subsidy program, or is placed on a waitlist for the program, standardized information on all publicly funded early learning and care programs and resources available in this state, including but not limited to:

(a) The Preschool Promise Program under ORS 329.172;
(b) The Oregon Prenatal to Kindergarten Program under ORS 329.172 to 329.200;
(c) The infant and toddler care program under ORS 417.784;
(d) Healthy Families Oregon programs under ORS 417.795;
(e) Early Learning Hubs under ORS 417.827;
(f) Resource and referral entities under ORS 329A.100 to 329A.135; (g) Relief nurseries; and (h) Oregon Head Start, prekindergarten and Early Head Start programs...."

***[HB 4057 A] creates a system where funding is nebulous but will be extreme, in addition to the unanswered question as to the necessary staff increases to carry out the communist based give-away.

***Oregon cannot continue to FUND the Welfare State.

***Oregonians demand the roads and bridges to be in good repair without subsidizing a program providing "Employment Related Child Care" for a select group of individuals.

Mr. Oregon Concur and says, "Oregon is going to lose Federal Funding for States that continue to use "Diversity, Equity and Inclusion (DEI)" policies and policies conferring taxpayer benefits to Illegal Aliens."
