Measure, Appointment or Topic: HB4134

As an Oregon resident, taxpayer, and enjoyer of wildlife and the outdoors, I support HB 4134 because it would protect Oregon's wildlife in a balanced way. Many people visit Oregon for its outstanding scenery and wilderness character. With this modest increase in lodging tax, we can support Oregon Fish and Wildlife in protecting and strengthening the ecosystem, habitats, and other natural resources that make Oregon an incredible place to live, as well as a global destination for those seeking to experience and enjoy the outdoors. Please vote yes on this bill for the long term health of rural communities, our wildlife, and the wilderness spirit of our state.
