

Submitter: Angelo Arredondo
On Behalf Of: Liana Navarro MHCC
Committee: Senate Committee On Education
Measure, Appointment or Topic: HB4079

Chair Hudson and all the members of the House Committee on Education My name is Liana Navarro, and I am a student at MHCC. I am writing in strong support of HB411, HB 4111, and HB 4079 because these bills directly impact students like me. As a college student, I balance school, responsibilities, and planning for my future. Having access to strong support systems and opportunities makes the difference between just getting by and truly succeeding. When students have the resources and stability they need, we are able to focus on our education, stay motivated, and build meaningful career paths. I want to succeed, graduate, and give back to my community. Supporting HB 411, HB 4111, and HB 4079 helps make that possible—not just for me, but for so many other students working hard to create a better future.

Thank you for your time and consideration.
Sincerely,
Liana Navarro
