

Submitter: Angelo Arredondo
On Behalf Of: Janet Kenny MHCC
Committee: Senate Committee On Education
Measure, Appointment or Topic: HB4079

Chair Hudson and all the members of the House Committee on Education
My name is Janet Kenny, and I have been an employee at MHCC for 26 years, and I live in Gresham, Oregon. I am writing in strong support of HB 4079 because this bill directly impacts students and families. Students need to be able to come to class and learn without fear of ICE agents chasing them or pointing weapons at them. School should be a place where students feel comfortable attending without fear.

Thank you for your time and consideration.

Sincerely,
Janet Kenny
