Chair Hudson and all the members of the House Committee on Education

My name is Lupita Guzman, and I am a student at MHCC. I am writing in strong support of HB HB 4079 because the bill directly impacts students like me. As a college student, I support this bill because schools always feel safe for everyone. Students and families need clear information and real protection so they can feel calm, supported and focused on learning.

Thank you for your time and consideration.

Sincerely,
Lupita Guzman
