Committee: Senate Committee On Education
Measure, Appointment or Topic: HB4079

Chair Hudson and all the members of the House Committee on Education

My name is Dantrell Slater, and I am a student at MHCC. I am writing in strong support of HB 4079 because this bill directly impacts students like me.

As a college student, I want to be reassured that our community college campus is a safe and supportive environment for students like me. While attending Mt. Hood Community College, my focus should be on getting an education, not living in fear or uncertainty. Our campus should remain a place where students can attend class, access resources, and participate fully without concern about ICE agents or federal enforcement. Students have the right to pursue their education in an environment grounded in dignity, safety, and respect. I should not have to worry about ICE actions.

Thank you for your time and consideration.

Sincerely,
Dantrel Slater
MHCC Student
