Measure, Appointment or Topic: HB4134

Dear Board Members,

As a native Oregonian I feel wholeheartedly that it is our responsibility to save our wildlife neighbor's habitat. With the majority of the 1.25% funds generated by out of state visitors coming to our beautiful state I believe It's the least we can do protect our "neighbor's" homes. We need to be their voice as we continue to encroach on their space(s). Please vote YES on HB4134. Thank you in advance for your time and consideration.

Best Regards,
