Chair Hudson and all the members of the House Committee on Education

My name is Hayla Fleites, and I am a student at MHCC. I am writing in strong support of HB 4079 because this bill directly impacts students like me. As a first-generation college student at MHCC, education is my path to a better future. I support this bill because, for my family and me, college must be a place where we feel safe, secure, and focused on learning—not fearful of what is happening outside the gates. I believe that clear communication and safety protocols are essential for every student at Mt. Hood Community College.

Thank you for your time and consideration.

Sincerely,
Hayla Fleites
MHCC Student
