

Submitter: Mark Spofford

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

Strong support for this bill. It will help protect one of the biggest revenue sources small businesses in Oregon and does so with significant revenue from people from out of state and the country. Moreover, it would mitigate some of the damage being done to the climate, wildlife, and rural businesses by federal legislative and executive actions.
