

Submitter: Kevin Campion

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

Thank you for considering my comment in support of HB4134. The bill, if enacted will take Oregon into the future of wildlife conservation and climate change mitigation. Investing these resources towards species and ecosystem recovery and conservation will greatly improve the outcomes for human and wildlife communities in our state. Generations of Oregonians will benefit from the wise action.

Thank you,
Kevin Campion, Save the North Pacific Right Whales
