My concern is that the same people who are wanting to pass this bill to protect themselves from spittle and other ugly things in their face, are the same people who now want to force our federal agents and government police to UNMASK AND SHOW ID to the world!

This is definition of DISCRIMINATION. SORRY IT DOESN'T WORK THAT WAY.
You will get the SAME TREATMENT THAT YOU WANT TO GIVE TO OTHERS!

Think about that the next time you try to isolate yourselves and give different treatment to others than you want given to yourself.
