On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

I fully support HB4134 and am excited for the positive changes this funding could make to the vibrant ecosystems of the Oregon Coast where I live. As a decades long Oregonian I have long been troubled back the lack of funding for Oregon's stated wildlife recovery goals and I love to imagine an Oregon where our endangered wildlife populations are allowed to thrive

Thank You,
