

Submitter: Emily Lisborg
On Behalf Of: HB 4134
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: HB4134

Hello,

I'm writing in to voice support HB 4134. Oregon's tourism industry is fueled by people who visit our forests. As it stands now, Oregon has the 3rd lowest lodging tax in the country, and adding that 1.25% would not change that. HB 4134 would not only benefit wildlife but also Oregonians who value nature, those who benefit from the tourism industry, and the community at large, who would see higher environmental quality as a result of conservation efforts. Please vote to support HB 4134!
