Measure, Appointment or Topic: HB4134

I support the lodging tax towards wildlife conservation and improvements. I have an airbnb that folks visit because of the wildlife they view on the lower Columbia River and Batwater Station NPO wetlands. We have guests come from all over the world to see the wildlife that resides at Batwater Station. These guests would love to supporting the wildlife and wetlands that they seek out. I support the Senate passing the bill and thank the House for approving it. Sincerely Karin Hunt.
