Measure, Appointment or Topic: HB4134

Chair Broadman and members of the Senate Committee On Finance and Revenue,

My name is Susan Sheythe and I live in Albany, Oregon. I am submitting this testimony in strong support of HB 4134 to increase the state lodging tax by 1.25% and help recover Oregon's most vulnerable fish, wildlife, and habitats.

Securing long-term dedicated funding for wildlife and habitats protection is strongly supported by a majority of Oregonians. The funding would not only help wildlife and habitats, but also support local communities and businesses that rely on tourism dollars. Oregon's robust outdoor tourism economy supports nearly 200,000 jobs and brings in \$16 billion in consumer spending. Investing in these resources now will continue to generate more economic opportunities for Oregon's communities in the future.

We cannot have a thriving tourism economy without healthy and abundant fish, wildlife, and the habitats that support them. This legislation would ensure we have both. At a time when the federal government is slashing funds and dismantling policies that protect our vulnerable fish and wildlife and their habitats, Oregon has a chance to set an example and protect our natural heritage. Doing so would help to protect our natural heritage, our wildlife and beautiful natural habitats and make Oregon a national leader by taking the initiative to stand up to Trump's attack on our animals, our environmental heritage and our state.

Please support "1.25% for Wildlife" by passing HB 4134 today. Thank you.

Susan Sheythe
