

Submitter: Steve Kennett

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

To legislators,

Tourism is big business. Direct travel spending reaching over 14 billion dollars. Travel tourism is not without costs. Tourism along with development of the land base result in pressures on wildlife and our natural resources -- the very things tourists come to see and appreciate. This bill is modest, targeted and provides the appropriate balance between conservation and use. I urge your support.

Steve Kennett
