On Behalf Of:

Committee: House Committee On Health Care

Measure, Appointment or Topic: SB1598

My name is Leslie Fager, and I support vaccine access. I'm writing in support of Senate Bill 1598.

This bill provides important protections for vaccine access in Oregon to individuals and families. We should have autonomy and agency to chose to get a vaccine.

Please pass Senate Bill 1598 - vaccines are safe, effective, and popular.
