Measure, Appointment or Topic: SB1598

My name is Alison Dent, and I support vaccine access. I'm writing in support of Senate Bill 1598.

This bill provides important protections for vaccine access in Oregon. Many people and families need easy access to life saving vaccines to do the right thing. Limiting access to vaccines does a disservice to the community. Please help us! Thank you!

Please pass Senate Bill 1598 - vaccines are safe, effective, and popular.
