Measure, Appointment or Topic: HB4134

I support HB 4134 for a 1.25% lodging tax paid for by out-of-state visitors to Oregon. Oregon would still remain among the lowest lodging tax states in the USA. Oregon needs stable, long-term funding for wildlife conservation, habitat restoration and practical coexistence solutions. Oregon's natural landscapes and wildlife are a major part of our identity, economy and quality of life. Please support this bill for the sake of all Oregonians.
