

Submitter: David Wall
On Behalf Of: Mr Oregon SUPPORTS HB 4142
Committee: Senate Committee On Health Care
Measure, Appointment or Topic: HB4142

I SUPPORT [HB 4148 A].

Medical Doctors who are board certified make the decisions for healthcare for their patients.

A patient who is in hospice or is in grievous pain should not be reduced to be praying for the Oregon Legislature for relief from their suffering.

Smoking Marijuana is bad for your trachea, bronchial tract and your lungs but when you have cancer or a myriad of spinal cord issues, Marijuana might give you some relief from pain.
