On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB4134

Hello. My name is Lynn Dennenberg. I reside in San Diego, California. Hear me out...

I write to you as the mother of twin daughters who live in Portland OR and in support of HB 4134. As a tourist to the state several times a year, I put hundreds of dollars into your economy during every visit, and because I do not stay at my daughters' places of residence due to lack of space, I spend large parts of this money on hotels, not only in Portland, but around the entire state.

I can tell you with 100% certainty that the 1.25% for Wildlife tax would do nothing but increase my desire to frequent your hotels and spend money in your state knowing that it will be helping ecosystems and wildlife thrive.

YES to HB 4134, yes to the 1.25% for Wildlife bill.
