Measure, Appointment or Topic: HB4134

Thank you for the opportunity to submit testimony. Orca Network is a non-profit organization with the mission to connect people with whales of the Pacific Northwest. We urge you to support HB 4134, the 1.25% for Wildlife bill, and secure funding to recover Oregon's fish and wildlife. We specifically submit this testimony on behalf of the state and federally endangered Southern Resident killer whales who are in need of recovery actions that could be provided by this funding source.
